**REQUEST FOR WITHDRAWAL OF SUSPENSION OF APPLICATION**

Sir:

It is the undersign's understanding that prosecution of the above-identified application has been suspended pending the resolution of Patent Interference No. 105,133. As shown in the attached Judgment, that interference has now been resolved in favor of Fisher. The Fisher patent is assigned to the same assignee as the present application.

Accordingly, it is requested that the suspension of prosecution be withdrawn, and prosecution immediately commenced for the present application. Further, in accordance with the Examiner's communication of September 4, 2002, all the claims are allowable. Therefore, it is requested that the application now be allowed.

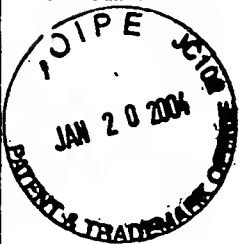

Favorable consideration is earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Mark J. Murphy', is written over a horizontal line.
